

Elevated Performance

- Ideal for use in microwaves, steam tables, ovens and hot holding applications.
- Reduces handling – high heat food pans can go from prep, to cooler, to oven to hot holding application at temperatures ranging from -40° to 375°F (-40° to 190°C).
- New colors designed to enhance merchandising of food, making it more appealing for deli and service lines.

Enhanced Functionality

Cambro® High Heat X-Pans™ withstand and adapt to different temperatures cold to hot, thus expanding functionality and reducing unnecessary handling. The new temperature tolerance on High Heat X-Pans makes them ideal for high-heat cooking and reheating applications. High Heat X-Pans are available in Onyx and Sandstone, designed to enhance merchandising of food, making it more appealing for deli and service lines.

- Non-stick smooth interior surface increases yields and promotes easy cleaning.
- Pans stack neatly, without wedging or sticking.
- Commercial dishwasher safe.
