

The Economical Solution for Room Service Delivery

- Competitively priced versus comparable stainless steel carts.
- Louvered vent and self-venting door promote air circulation throughout the cart to optimize food quality, improving patient satisfaction.
- Molded-in tray rails and non-marking, offset stainless steel casters ensure quiet meal delivery.

CAMBRO
Healthcare

Low Profile 10-Tray Meal Delivery Cart

Enhance patient satisfaction with high quality, room-service style meals served quietly and efficiently. The Cambro 10-Tray Meal Delivery Cart is non-electric and requires no assembly. Made of durable and easy-to-clean polyethylene, this cart won't dent or rust and will provide years of reliable service.

Menu clip holds routing directions or content lists.

Large, molded-in ergonomic handle makes it easy to transport and maneuver.

Holds up to ten 15" x 20" (38 x 51,5 cm) or Euronorm 37 x 53 cm trays.

Molded-in rails ensure quiet meal delivery, rail spacing 5/4" (13,34 cm).

Lightweight, self-venting, ABS door is non-insulated and opens a full 270°.

Molded-in marine rail provides an additional work surface during service. *Marine rail is designed for use during service, not transport.*

One louvered vent on the back supports air circulation.

Polyurethane insulation ensures quiet meal delivery and provides structural strength.

Shown with four, 5" (12,7 cm) non-marking, offset, durable stainless steel casters (2 fixed and 2 swivel with brake).

Molded-in full-perimeter bottom bumper protects the cart, walls and furniture.

Complementary Products

Shoreline Meal Delivery Ware
