

Colossus Plate & Base Heater

Hot Plates. Hot Food.

The Colossus Heated Plate Dispenser is designed for heating china plates to 180°F and wax bases at 300°F in less than two hours. It's ideal for heating plates and bases to maintain hot food temperatures during delivery in conjunction with the Dinex Induction Heating System.

Benefits

Convection

Quick plate and base heating with even temperatures

Temperature Control

Clear temperature read-out for better temperature control

Self Leveling

Field adjustable spring dispensing design allows easy access to bases and plates

Durability

Stainless steel exterior and corner bumpers
