InstaCut™ 3.5 Manual Food Processors

Cuts Prep Time as Well as it Cuts Veggies

Dice, wedge or core. The REDCO® InstaCut 3.5 produces perfectly cut vegetables and fruits at least three times faster than cutting by hand. One-stroke operation produces quick, clean cuts, without the bruising and waste of other methods. A simple, one-piece blade assembly pops in and pops out for quick changing and easy cleaning. Rugged unibody construction keeps this mighty manual processor working for many years to come.

FEATURES

- Aluminum base with stainless steel rods is lightweight and strong
- Manual operation – no electric power required
- Priced at 1/4 the cost of electric processors
- Smooth, simple, one-stroke operation
- Easy-grip handle
- Rapid, accurate quick-cutting action
- Reduced food damage and bruising
- Good leverage and strong anchorage makes for easy use
- One-piece blade assembly
- Change from dice to wedge to core in seconds – easy to pop-in and pop-out!
- Quick and easy clean-up
- 2 year warranty
