

# Twisted Loop

## DUST MOPS

# Designed for Maximum Durability & Performance

**Twisted Loop Dust Mops offer greater floor coverage and durable, twisted loop construction—less prone to snags, frays, and unraveling.**

- Reinforced, double-needle stitching at key “wear” points increases product life.
- Slip on/slide off backing allows quick, easy setup for standard or breakdown mop frames.
- Mops are fully laundered and pre-shrunk for a consistent, snug fit.

Twisted loops create fuller mop heads with no gaps, offering better coverage than traditional ply yarn, and improved collection and retention of dust and dirt particles.

## COTTON

- 4-ply cotton yarn
- Economical
- Good dust retention
- More durable and longer product life than cut-end dust mops
- Color: White

## BLEND

- Cotton and synthetic blend
- Longer product life than traditional cotton
- Excellent dust retention
- Colors: Light Blue, Yellow

## ANTIMICROBIAL

- Cotton and synthetic blend
- Longer product life than traditional cotton
- Excellent dust retention
- Inhibits bacterial growth that causes odors and shortens product life
- Color: Green

## SYNTHETIC

- 100% synthetic yarn
- Longest product life vs. cotton or blends
- Superior dust retention
- Excellent durability
- Fastest drying time (moisture doesn't penetrate fibers)
- Color: Dark Blue
